Material Health

We design and manufacture products to optimize human environments.

Cradle to Cradle® Design

ROAM | Painted Desert styles are designed according to the principles of the Cradle to Cradle Certified® Product Standard.

Indoor Air Quality

People spend 90% of their time indoors, making these environments critical to our wellbeing. These products are Green Label Plus (GLP) Certified, meeting the California Department of Public Health (CDPH) indoor air quality standards for low-emitting products.

Carbon Impact

We are a positive force in the global effort to collectively fight climate change.

More than 50% Reduced Carbon Footprint

As a result of Shaw's investments to help reduce our energy and greenhouse gas impact, we have cut our Scope 1 & 2 emissions by more than half our 2010 baseline.

Carbon Neutral Operations

ROAM | Painted Desert styles are manufactured in a carbon neutral manufacturing location.

Environmental Product Declarations

Shaw Industries considers the embodied carbon footprint of the products we manufacture and offers EPDs on all styles of ROAM | Painted Desert.

Circular Economy

We practice a closed-loop approach to sustainability.

re[TURN] We Want it Back

At the end of its useful life, we can reclaim ROAM | Painted Desert styles as we do any of our soft surface products. Since 2006, Shaw has reclaimed and recycled nearly 1 billion pounds of post-consumer carpet reducing landfill waste.

Diversity, Equity & Inclusion

We nurture an environment where every voice and perspective can be heard, with equal value placed on seen and unseen experiences.

Supplier Diversity Program

We promote supplier participation that is reflective of Shaw Industries' diverse customer base and local community. More than 60% of our spend* is with small and diverse businesses. We believe having a strong Supplier Diversity Program is strategic for bringing more innovation to our businesses and opening new markets for growth.

*Allowable spend is domestic (US) spend in categories in which we have diverse suppliers from which to choose.

We roam around the world.
