## Our Sustainability Story

Everyone should have access to sustainable products for the places where we heal, learn, rest and work. Our brand vision, Smarter Impact, is our call to action to share insights and solutions that help you act on your power for positive change, especially when it comes to making sustainable choices.

Our view of sustainability encompasses not only the environmental health of our products and our operations, but also how our products impact human experience. For more than 20 years, Shaw Contract Hospitality has demonstrated our commitment to the Cradle to Cradle® design philosophy and the Cradle to Cradle Certified™ Products Program. More than 90% of the products we manufacture have achieved this prestigious multi-attribute certification, protecting humans and the environment.

Declare.

EPD®

## Attributes

- Guest comfort and experience
- High-traffic durability
- Housekeeping support and cleanliness
- Improved acoustics
- Reduced renovation downtime
- Welcoming, customized design

## Why Shaw Contract Hospitality?

- By selecting materials that are sustainably sourced, long-lasting and free of harmful chemicals, hotels can assure guests that their values matter. Shaw Contract Hospitality offers a portfolio of products that satisfy the most stringent sustainability certifications.
- An entire team dedicated to customizing your hospitality project, including design services, visualization, estimating, and install seaming diagrams
- Single point of contact for order entry/monitoring, shipment tracking and expediting, technical services, risk mitigation and problem resolution
- Tailored stocking program based on your forecasting to ensure availability of your standard products and rapid service/reduced lead times
